Work experience

Software Developer Intern

Mar 2023 - Aug 2023

NetWatch, Carlow, Ireland

I completed a six-month developer placement at NetWatch Ireland during my third year of studies. My role involved gaining hands-on experience with their systems, including completing a project to introduce service buses into their API. This was an invaluable experience that not only deepened my understanding of software development but also ignited my excitement for my future career as a developer.

Barista

Sep 2022 - Aug 2023

Lennons@Visual, Carlow

Diverse roles as a Barista, Barman, and Server in a vibrant restaurant setting. Smooth operation of opening and closing procedures. Delivered exceptional customer service, ensuring an enjoyable dining experience for patrons.

Server

Jun 2022 - Aug 2022

Kells Irish Bar, Seattle, USA

J1 Visa working in Seattle for the summer.

Duties included handling cash, opening & closing the premise, customer orientated environment.

Barman

May 2021 - Aug 2021

The Joiners Arms, London, UK

Summer job working in an Irish bar in the heart of South East London.

Opening & closing duties, stock taking, reordering stock & supplies, leading and delegating temporary event staff, ensuring upkeep and maintenance on equipment.

Team Leader

Jun 2020 - Jun 2022

Montos Restaurant, Kilmessan, Navan & Trim

Coordinating staff rota, cash handling & resolution, training junior team members, designing menus, coordinating rosters. orgering of stock & supplies.

Education

Robotics & Intelligent Devices BSc

Sep 2019 - May 2020

Maynooth University

Completed year one of this course before transferring to BSc Software Development in SETU. Developed a strong baseline in areas such as Signal Processing, Control Theory, Programming, Mathematics and Electronics.

Software Development BSc

Sep 2020 - Present

South East Technological University, Carlow

Modules studied includes: Data Science & Machine Learning, AI in the Wild, Cloud Computing, Agile Software Development, Data Structures & Algorithms, Object Orientated Software Development

Leaving Certificate

Sep 2014 - Jun 2019

Dunshaughlin Community College, Dunshaughlin, Meath
